

For dogs who love the outdoors, we access a secure seven-acre exercise field where they can:

- Splash in the pond
- Explore the sand pit
- Enjoy agility equipment and balance obstacles
- Run, sniff, and play safely off lead

Every dog receives at least two exercise sessions each day, whether that's a one-to-one walk, field adventure, or supervised play session.

For puppies, senior dogs, or those recovering from injury or illness, activities are adapted to suit their abilities and we will follow veterinary recommendations, with enrichment-based alternatives provided where appropriate.

Exercise and Adventure

Safe, Social & Supervised

Dogs are free to socialise off lead with our friendly, well-socialised dogs in our secure garden and the exercise field.

Our focus is on calm, well-mannered interactions within a small, balanced group of dogs. All play and social activities are carefully managed and supervised, ensuring a safe and enjoyable experience for every guest.

For dogs who prefer a slower pace or require their own space, we have a separate garden area where they can relax away from the group, enjoy their own space while still receiving plenty of attention and care.

Dogs wear our ID Tags and our trackers for every outing.

Trusted Hound Care

With two permanent members of staff, a part-time behaviourist, trainer and dog walker, and support from Warwickshire College work-experience students, every dog receives the attention, care and affection they deserve.

We do not use crates unless crating forms part of your dog's normal routine at home.

For your peace of mind:

- All staff are trained in Canine First Aid and CPR
- We hold a 5-Star Local Authority Licence
- Level 3 OFQUAL qualified in Breeding and Animal Welfare
- Our 24-hour veterinary hospital, Avonvale Veterinary Centre, is just one minute away

When your dog stays with us, they become part of the family, enjoying a safe, caring environment where their individual needs always come first.

Time to Relax

Rest is an essential part of every dog's day. Our home provides comfortable sofas, cosy dog beds, and peaceful lounging areas where dogs can unwind between activities.

Some dogs and puppies need extra support to settle. Whether that's sitting quietly with them, providing a relaxing chew, sharing a cuddle on the sofa, or creating a calm space away from the group, we're always on hand to help them feel safe and comfortable.

Lilleagle Beagles Day Care and Boarding

Whether you're looking for a half-day, full-day, or boarding stay, your dog will enjoy a physically and mentally enriching environment with experienced carers who understand that rest and relaxation are just as important as exercise.

We welcome dogs of all ages, from energetic puppies to senior companions. Following a trial night or a meet and greet, we'll create a plan with you, based on our observations, tailored to your dog's individual needs, personality, and routine.

Warwick, CV34 07767 625360
www.lilleagle.co.uk

Home from Home Boarding

Each household staying with us has their own dedicated room for sleeping and mealtimes, along with direct access to a private garden area. While dogs are welcome to join the family and socialise with others, they always have their own quiet retreat if needed.

More nervous dogs and younger puppies stay closer to us in our downstairs bedroom, allowing us to provide additional overnight support. As their confidence grows, they naturally integrate with the rest of the group.

Dogs are supervised at all times, and evenings are spent relaxing with cuddles, companionship, and sometimes an extra stroll as the sun sets and exciting new scents emerge.

Enrichment Activities

We believe mental stimulation is just as important as physical exercise. Activities may include:

- Obstacle and agility courses
- Dig pit and paddling pool fun
- Scent trails
- Scent games
- Balance beams
- Separate sensory garden areas
- One-to-one enrichment box activities

Lilleagle Beagles Home Boarding - Terms and Conditions

Payment Terms: To secure your reservation, we kindly request a 30% deposit for all bookings made. Please note that this deposit is non-refundable and will be deducted from your total bill. If your dog does not attend, due to change of your plans or dog illness and I am able to fill the availability with another dog, your deposit will be refunded for those days fulfilled. If we cancel your reservation your deposit will be returned in full.

Insurance: Owners must be responsible for having their own pet insurance to cover vet fees or means to pay. Any vets' fees incurred for treatment of conditions must be settled by the owner at the time of collection. If your dog is taken to the vets, any outstanding veterinary fees must be settled prior to departure. Owners or your proxy contact will be contacted, if possible, prior to treatment given.

Vaccinations: All dogs must be fully vaccinated.

Please note that whilst Kennel Cough is not compulsory, it is advised. Your dog could contract a strain of Kennel Cough, even with having the vaccination. Primary vaccines should be administered at least two weeks prior to admission.

Preventative Treatments: Please ensure that your dog is up to date with a veterinary prescribed flea and worm treatment. Your dog will be checked on arrival and if fleas are present, they will be treated immediately, and you will be charged the veterinary fees for such treatment. If worms are present in their stools, they will be treated and you will be charged the veterinary fees for such treatment. If your dog is on any other prescribed medication, dosing and clear instructions from the vet must be on the medication. We will not administer medication without clear instructions from your vets. We may contact your vet to check medication timings and dose.

Housing Dogs: By signing the boarding document, you are authorising that your dog will be accommodated within our home, and will be interacting with other dogs in such way as agreed on the consent document.

Aggression: If your dog shows signs of aggression, contact will be limited for the safety of both the humans and other animals in the home. It maybe that we will have to separate your dog from others. It is likely that there would be a medical reason for this out of the ordinary behaviour, and we would seek permission to have your dog assessed at the vets. We will continue to care for your dog whilst you are away.

Contact: We will contact you regularly with updates! We know how important this is to you. If your dog requires urgent veterinary treatment, we will isolate the dog and call either yourself or the proxy contact, if no response is found we will follow the guidance of the vet until such time you can contact us back. Lilleagle Beagles and its staff will not accept liability for any incidents, accidents, illnesses or death.

Abandoned Animals: In the event of a dog not being collected Warwick District Council will be contacted for advice.

Dog Belongings: We ask that you bring minimal bedding and toys, we cannot guarantee that these will come back in the same condition, Lilleagle Beagles will provide all bedding and toys for your dogs stay.

Peak Periods: Our rates stay the same throughout the year except for Christmas/New Year period of 23rd December – 3rd January and any bank holidays or part bank holidays, all of these dates have a £15.00 surcharge. A 10% discount is applied for your second dog. Dogs bred by us a £5 discount daily.

Opening Hours, Drop Off, Collection and Trial Stays: Due to this being a business within our home, the opening hours are restricted to allow for neighbours not to be disturbed early morning or late evening.

ID Tags: As part of the new Animal Welfare Regulations 2018, all dogs will be fitted with an identity tag with our details on. A collar and ID tag will be provided for their stay.

Dog Walking: Your dog will be walked at least twice a day for a minimum of 20 minutes, unless you request less, sometimes this is split into three walks, but never less than twice a day. Your dog will always be walked or exercised wearing our collars and leads for security. They will always wear a tracker whilst out of the home. When walking they will be walked on a 1-1 basis. For field trips appropriate companions will be selected for them to run with. Extreme weather alternatives will be provided.

2026 Prices

Lilleagle Beagles
5 Star Home Boarding Licence
from Warwick District Council
AB91/26

Boarding:

- £45 daily for up to 14 days (reducing to £40 per day on the 15th day). The day of arrival is charged in full regardless of the time you deliver your pet to us. Departure day is not charged if your pet can be collected in the morning between 9.00am – 10.00pm and you have requested you do not wish them to be exercised that morning.
- £5 daily discount for dogs bred by us.
- For same household dogs a 10% discount to the second dog is applied.
- Meet and Greet Free. Overnight Trial session normal rates apply.

Day Care:

- £30 daily between 8am and 5pm - hours outside of this period are charged at a days boarding rate instead.
- Meet and Greet Free. Day Trial session normal rates apply.

Supplements:

- Bank Holidays and the period from 23rd December to 3rd January have a daily supplement of £15.00
- Dog Wash and Dry at the end of their stay to be prearranged: £15.00

- McTimoney Practitioner Appointment to be prearranged: £55.00 plus handling / admin fee of £5.00
- Provision of feed per day (Royal Canin, sachet of Fortiflora and seaweed): £3.50
- Additional charges for extra services will be agreed at the time.
- Collection / Return of dog charged at £10.00 minimum or £1.00 per mile from ours to yours.

Quick Guide - What you can expect from us.

We will be prioritising Beagles as we have plenty of breed experience and have in-depth knowledge of their traits and behaviours. We understand that home boarding beagles often fails in places that aren't accustomed to Beagles. **Initially, please make contact to see if we have availability prior to booking your holiday.**

Here your Beagle will be:

- Be cared for by experienced Beagle owners and breeders.
- Stay in a safe, secure home where Beagles are allowed to be... Beagles.
- Enjoy company with other hounds who share their love of play, sniffing and mischief.
- Follow a loving routine with walks, enrichment, and plenty of cuddles.
- Be allowed to live how they do at home – on the bed? No problem!
- At least twice daily health and behaviour checks, so we can be on top of any arising issues.

If your Beagle has not been back to me since leaving us, or is a Beagle that has not visited us before, we will need to arrange a meet and greet or an overnight trial as appropriate at our home prior to confirming your holiday dates with us.

It is important that you send me your booking form so that I can address any issues well in advance and be fully prepared. Every Beagle is an individual, so please take the time to complete the form in detail, if there is not enough space, feel free to write everything you would like me to know on a separate piece of paper, I would rather have more information than not enough. Please also complete the daily routine form.

Settling Worries

Training - we use only positive reinforcement, so don't worry if your dog needs extra support for toilet training, is a little older or is here to learn some skills. Everything will be done in a kind, positive way, using treat or toy rewards...the way to a beagle's heart.

Oversight - There is always a welfare and first aid level 3 qualified member of staff on site. All staff are animal first aid trained and have experience with beagles. Your dog will never be left alone, ever. Twice daily health and welfare checks, beagle's body language is very clear to us.

Walking - We only exercise 1-1 on a lead through town or the countryside - beagles can be quite noisy when together so we save the noise for the field. Your dog will wear our ID tag, collar and lead. A tractive tracker will always be on your dog when out of the house for security and safety.

Field Exercise - When at the field they can let off steam, cause mayhem and be supported at a ratio of 1 experienced handler to 4 dogs. Quite often the ratio is 1 handler to 3 dogs so that each dog can enjoy their time with a likeminded friend. A tractive tracker, our ID tag and collar will be used on any outings. A dog first aid qualified handler is always present.

Enrichment - Every dog in our household has plenty of daily 1-1 time with us, to chew an antler, lick a mat, have cuddles in the bed and be groomed. Whatever floats their boat, you tell us what they love and we will make sure we incorporate it into their day, some just love a cardboard box! Daily grooms which for some more 1-1 time with us, helping them relax and feel comfortable. Please inform us of any **intolerances** your dog has, we generally use chicken and winalot shapes treats.

Extra Services: We are able to organise specialist services whilst your dog is visiting us, such as, McTimoney Practitioner, Ringcraft, Show Dates, Socialisation outings and Training (various qualified trainers). Just let us know if there is anything you'd like for your dog.

As a licenced home boarder, our standards are high. As dog lovers and beagle breeders, they are even higher.

We have all that you'd expect a licenced boarder would have such as emergency plans, transport protocols, cleaning regimes, feeding plans, fabulous vets on our doorstep, a huge enrichment box of activities, extreme weather protocols, we train our staff and we keep careful records of your dogs' stay with us so next time we are fully prepared for any of their little individual beagle ways.

How it works and important information.

Please bring your vaccination card with you each visit or upload it to the booking form. Please ensure your Beagle is up to date with their worming and flea treatment, if they require their next dose when with us or any other treatment, please bring it along with you.

If your Beagle has an illness or is on medication for an existing condition prior to coming, please make contact to discuss, failure to do this could result in us turning you and your Beagle away with no warning.

I ask that you bring plenty of their normal food (they tend to do more exercise here and require increased intake), walking equipment, their blanket and anything else that is required to help them settle.

Service Charges:

- The day of arrival is charged in full regardless of the time you deliver your pet to us. Departure day is not charged *if* your pet can be collected in the morning between 9.00am – 10.00pm *and* you have requested you do not wish them to be exercised that morning.
- Bank Holidays and 23rd December to 3rd January have a daily supplement of £15.00
- For same household dogs a 10% discount to the second dog is applied.
- Extra (Optional) Dog Wash and Dry at the end of their stay: £15.00
- Additional charges for extra services will be agreed at the time.

We write and keep fully detailed daily records of your Beagle's stay with us. These records, including behaviours, quirks, anything we've noticed are so that we can review them for the next time your dog comes, ensuring each experience meets their needs more.

REMEMBER:

- No vaccinations, No admission. No Dog will be checked in without their up-to-date vaccination card.
- Please email or bring with you the completed booking form, signed and the routine form.
- If you have not paid your deposit, you're not booked in.
- Final payment must be received on arrival by cash or prior to arrival by bank transfer.
- Dog Food. Please remember to bring their own dog food for the duration of their stay.

IMPORTANT:

- When bringing your pup please ensure you provide notice of arrival via text so that my household dogs can be put away, this prevents overstimulation and reduces noise.
- We ask that when dropping off this is done in a timely manner, to keep the noise levels down and to enable us to integrate your pup to the pack. A quick drop off is essential, it prevents tension build up for all beagles. I will be sending you lots of videos so you know your pup is happy.
- On collection you can spend more time here with us as the pack will be settled and integrated.
